2022 Christmas APPEAL

Dear Friends and Neighbours,

This past year has continued to be challenging for all communities. Despite these realities, the staff at the Kinmount & District Health Centre has steadfastly served our community with grace and professionalism. We are truly grateful.

Thanks to your generosity over the years, the Health Centre has seen many improvements and upgrades. This fall the Centre was happy to announce the addition of a new physiotherapist, Vivian Wong-Svoboda. Welcome Vivian! We are hoping to continue this positive trend in the coming year.

Please support our Christmas Appeal in order to help us to recruit another doctor and additional health professionals.

Wishing you a safe and healthy holiday season!

Enclosed please find a cheque payable to KDHSF in the amount of:

\$25 \$50 \$100 Other \$ _____

NAME _____
